Open -

This is **NOVEMBER VICTOR NINE SIERRA** - net control station for the ***Marion County Amateur Radio Emergency Service*** net. My name is Rob - I spell: Romeo Oscar Bravo - and I am located in Salem. This net will meet on the first and third Wednesday of each month at 8:30 PM local time. This net serves ***Marion County*** and the surrounding area. The purpose of this net is to allow participants to test their radio equipment to ensure their ability to access an emergency net. We will also have EmComm and AuxComm training exercises from time to time. ***ARES*** membership is encouraged but is NOT required for net participation. When checking in, please give your call sign slowly and phonetically, your first name, and your specific location.

Emergency traffic -
